Re. : Mount Parker Road - GFRC/Artificial Rock Works

L. F. Sam (HK) Ltd. was selected as the GFRC Rock Works Specialist contractor for the beautification works to the retaining walls at Tai Tam Country Park/Mount Parker Road.

The beautification works were under a tight time schedule and through out the entire period L. F. Sam conducted themselves professionally in all aspects. Their entire works were completed on time and fulfilled the expectations and requirements of our client.

The company have successfully demonstrated their technical abilities, project management skill and artistic approach to complete a demanding job to our satisfactions. We have no reservations in recommending their GFRC rock works to others or working with them again.

Yours faithfully,
For and on behalf of
Marshall-Karson Construction & Engineers Ltd.
