Re : Letter of Recommendation for
L.F. Sam (HK) Ltd.
Specialist Contractor in Rockworks

Messrs L.F. Sam (HK) Ltd. were appointed as the contractor for the GFRC artificial rockworks at our project, Pacific Palisades. They worked hand in hand with our landscape consultant, Belt Collins & Associates, to achieve a very satisfactory result.

At all times, they conducted themselves professionally and co-operated fully with the Main Contractor and consultants. We would have no reservations in recommending their service in works of similar nature.

Yours faithfully,
For and on behalf of
